## Objective

To apply for jobs where my instrumentation technical skills, communication, interpersonal, and collaboration skills will add value to overall jobs desk in PT Sinko Prima Alloy.

## Personal Statement

I am a person who is spirited, energetic, always willing to learn, able to adapt to various environment, and able to work well individually and in team. I have many experiences in campus organization, in which I enhanced my communication skills by sharing my ideas to the team and develop my interpersonal skills.

## Organizational Activities

### Komitas Sing Seni Surabaya, PHDI Kota Surabaya

2018 – 2019

#### Chairman

Surabaya, Indonesia

I was elected as the KSSS Leader through the Election in 2018. I have a responsibility to lead this organization which consists of Hindu students from the entire SURABAYA for one year in 2018-2019.

### Surabaya Cross Culture International Folk and Art Festival, PEMKOT Surabaya

2019

#### Participant

Surabaya, Indonesia

I joined Sanggar Semara Art for following this event. I was elected to be Bagus Bali. Bagus Bali means that I am a model that should be emulated and followed. During that event, I showcased my expertise in Balinese Dancing and playing traditional Balinese Musical Instruments, PEMKOT Surabaya.

### Tim Pembina Kerohanian Hindu, Sepuluh Nopember Institute of Technology

2018 – 2019

#### Vice of Department Art and Interest Talent

Surabaya, Indonesia

I became Vice of Department Art and Interest Talent and I was responsible to control and deliver situation of staff to leader, Sepuluh Nopember Institute of Technology.

### Tim Pembina Kerohanian Hindu, Sepuluh Nopember Institute of Technology

2017 – 2018

#### Staff of Department Art and Interest Talent

Surabaya, Indonesia

In human development division, my task is conceptualizing and conducting the TRAINING CAMP event followed by YOWANA BAKTI. I am also responsible as facilitator for all student to follow art contests, sport competitions, and singing competitions, Sepuluh Nopember Institute of Technology.
